This is the original J.
The depth of the tail seems a
bit ambiguous to me (neither
on the baseline, or at the
descender depth). I am trying a
more traditional J with a longer
tail. Not sure it's working...

Tails of the Q and R have been
tamed ever-so-slightly to make
for better text fitting (New on
left, old on right).

Meanwhile Odoacer, king of nations, subdued all Italy and then at the very outset of his reign slew count Bracila at Ravenna that he might inspire a fear of himself among the Romans.
